Thank you for your interest in IEA. I hope that the enclosed material helps answer your questions. Please call me at the above number if something is not clear. IEA must receive a check for \$25, with a completed admissions form and a letter expressing why you would like to attend IEA prior to your admission interview. Admission requirements also include two letters of recommendation and graduate school transcripts, which should be sent as soon as possible. After I receive your completed application requirements, I will set up an admissions interview and can describe our program in further detail.

I look forward to hearing from you.

Sincerely,

Meredith Glidden, LCAT
